SINCE 1978

Throughout more than 40 years of experience, we've established a diverse portfolio of signature real estate developments.

6 DESTINATIONS

Rock Developments has stretched it's influence across the evolving new cities of Egypt. We own, finance, construct, and develop real estate projects in Heliopolis, 6th of October, New Cairo, Obour, New Heliopolis and the New Administrative Capital.

EGYPTIAN DEVELOPER WITH CANADIAN EXPERIENCE

Going Across Continents

Led by engineers Adel and Emad Doss, Rock Developments grew to new heights overseas in 2010, in Canada. Entering an entirely new world of real estate, architectural code, regulations, and techniques was a challenge to the Doss brothers.

However, their progress soared, learning all the essential ins and outs of international code, licensing, and building procedures.

This has allowed the company to establish six commercial ventures in Ontario – Canada, under its Canadian sister company, Doss Homes.

Doss Homes eventually attracted the eyes of some core Canadian enterprises: Tim Hortons, CIBC Bank, Burger King, A&W, and Scotia Bank.
